7110 West Q Avenue
Kalamazoo, MI 49009

The Planning Department is in the process of evaluating potential riparian ordinance updates to protect lakes, ponds, and streams within the Township.

We are currently collecting feedback about existing riparian challenges and potential solutions.

As a riparian property owner or interested party, we invite you to participate in an online survey, which will take approximately 10 minutes to complete. Your input will help guide the future of riparian regulations.

Please complete the survey at:
