PLANNING / ZONING FEES AND ESCROW AFFIDAVIT

The Charter Township of Texas Board of Trustees is authorized by state statute and the Texas Township Zoning Ordinance to establish fees for the processing of planning, zoning, and development reviews. The Board believes it is reasonable and appropriate to place the cost of processing these applications (or applications involving unusual costs to the Township) onto the applicants involved rather than on the taxpayers of the Township, and as such, has by resolution adopted the following application and escrow fee schedule. The Board intends that planning, zoning, and development review fees and escrow amounts be reasonably proportionate to the costs incurred by the Township for the particular action requested, and that such fees and escrow amounts be used to defray the costs of administering the Charter Township of Texas Code of Ordinances under Michigan law.

If an applicant objects to the reasonableness or amount of the Escrow Amount funds it must deposit with the Township or how the funds have been applied, the applicant can appeal to the Texas Township Board. All such appeals shall be in writing and shall be made not later than thirty (30) days after receipt of the disputed Escrow Account billing or the decision of the Planner or his or her designee.

Within ninety (90) days after final Township action on the application or withdrawal of the application by the applicant, the Township shall refund to the applicant any excess escrow funds. No interest shall be paid on refunded Escrow Account money.

No final approval, building permit, certificate of use/occupancy permit, or other similar approvals shall be issued, or final Township zoning approval be deemed granted until the escrow funds are paid in full.

Should the applicant withdraw its application or otherwise fail to complete all actions necessary for the Township to issue a final building permit or final zoning approval, the Township may seek reimbursement for its costs incurred in responding to the application. The Township shall be permitted to take any legal action to collect such costs and shall be permitted to assess all costs and legal fees incurred in the collection process.
